## Fairy Tales – Fact and fiction

### New Vocabulary

<b>Tales</b>	A story that has been retold over many years. Sometimes called a fairy tale.
<b>Setting</b>	Where a story takes place, such as a forest.
<b>Plot</b>	It describes the events that make up a story. There is often a sequence of events.
<b>Character</b>	A person or animal in a story.
<b>Fable</b>	A short story that has a moral.
<b>Hero</b>	The main character in a story. A hero is usually a character who is good and well-liked.
<b>Villain</b>	The character who is the opposite of the hero. The villain could be mean, nasty or evil

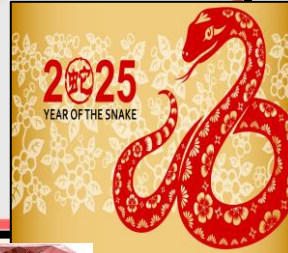

### Fun Fact

Over 200 years ago in Germany, the Brothers Grimm wrote down the very first traditional tales. They heard them from storytellers all over Europe.
