

# WE ARE THEOLOGIANs

## ENCOUNTER

We learn from examples of the 'lived reality' of a religion or worldview which reflect a belief or concept. We find out about how people's beliefs/views impact the way they live their lives.

In each BRAVE unit we build on our knowledge and understanding of worldviews by thinking about 'Where do I stand?' and 'Everyone stands somewhere'. We learn about how people's beliefs and views impact the things people do, the key concepts of the world's major religious and non-religious beliefs and wonder together about big questions. This is explored through our 3 threads **ENCOUNTER, ENQUIRE & EXPRESS**.

## EXPRESS

We explore and wonder together about 'big' questions. Thinking and responding ourselves, to our own lives, to others and the world we live in. We develop an awareness of open-mindedness, respect for all, appreciation and wonder.

## ENQUIRE

We learn about the important key beliefs or concepts in a religion or worldview. We develop our understanding of Christianity and the underpinnings of British Values. As well as, learning about major world faiths/worldviews practised in Britain and around the world.
