All Saints' CE Primary School

Newsletter 2 – October 2026

Dear Parents and Carers,

As we reach the end of our first half term of the academic year, I would like to take this opportunity to thank you all for your continued support and partnership. It has been a busy, positive and rewarding start to the school year, and I am incredibly proud of the way our children have settled into their classes, embraced their learning and demonstrated our school values.

At All Saints', we strive to ensure that every child feels **known, loved and valued**, and it has been wonderful to see this reflected in the kindness, enthusiasm and sense of belonging shown across our school community.

Teaching and Learning

This half term, the children have been working incredibly hard across all areas of the curriculum. It has been a pleasure to visit classrooms and see pupils engaged in their learning, developing their confidence and showing increasing independence.

Our staff have continued to focus on providing high-quality teaching, ensuring that children are appropriately challenged and supported to achieve their very best. We are particularly proud of the positive attitudes towards learning that are evident throughout the school.

Thank you to our dedicated staff team for their hard work, commitment and care during this busy first half term.

Positive Relationships and Behaviour

We began the academic year with a strong focus on building positive relationships and helping every child feel safe, happy and ready to learn.

This has continued throughout the half term, and we have seen many examples of children demonstrating kindness, respect and consideration for others.

We encourage all children to take responsibility for their choices, show good manners and treat one another with care. These expectations are an important part of our school culture and help us maintain a calm, purposeful and welcoming learning environment.

OPAL – Outdoor Play and Learning

Our OPAL approach continues to provide children with opportunities to enjoy creative, active and imaginative play during lunchtimes.

As we move into the colder and wetter months, please ensure that your child comes to school with a suitable coat and appropriate footwear each day.

We remain committed to encouraging outdoor play in different weather conditions, whilst ensuring children have access to sheltered spaces when needed.

Thank you for your support as we continue to develop our outdoor play provision.

Attendance and Punctuality

Thank you to all our families who make every effort to ensure their children attend school regularly and arrive on time.

Good attendance is essential in helping children make progress, build friendships and feel part of school life. Even small amounts of missed learning can add up over time.

We appreciate that children will sometimes be unwell and unable to attend school. However, we ask that, wherever possible, medical appointments are arranged outside school hours and that holidays are taken during school breaks.

Every school day matters, and we are grateful for your continued support.

Our Christian Vision and Values

Our school vision continues to guide everything we do:

"Dream without limits, believe in God-given potential and achieve our highest aspirations."

Through collective worship, classroom learning and our everyday interactions, we encourage children to live out our Christian values and the Fruits of the Spirit.

We are proud to be an inclusive Church of England school where children and families from all backgrounds, cultures and faiths are welcomed and respected.

Our aim is for every child to understand the importance of kindness, compassion, respect and service to others.

Online Safety

As children increasingly use technology to communicate and play, we would like to remind parents of the importance of monitoring online activity, particularly messaging apps and group chats.

Please take time over half term to talk to your child about being kind and respectful online, protecting personal information and speaking to a trusted adult if something makes them feel uncomfortable.

The same expectations of kindness and respect that we promote in school should also apply to online interactions.

Thank you for working with us to keep our children safe.

Looking Ahead to Next Half Term

The second half of the autumn term is always a particularly exciting time in school, with many opportunities for learning, celebration and coming together as a community.

We look forward to sharing details of our upcoming events, including our Christmas celebrations, collective worship opportunities and other activities, after the break.

Please continue to check school communications for important dates and information.

Finally, Thank You!

I would like to finish by thanking our wonderful children, staff, parents, carers and governors for making All Saints' such a special place.

Our children are at the heart of everything we do, and it is a privilege to watch them grow in confidence, develop friendships and achieve new things every day.

I hope that all our families enjoy a restful and enjoyable half-term break, with opportunities to spend time together and recharge ready for the busy weeks ahead.

We look forward to welcoming everyone back on **Tuesday 3rd November 2026**.

Thank you, as always, for your continued support.

With warmest wishes,

Miss Hammond
Headteacher
